Rebeca Eigen
Relationship Alchemist

Shadow Dance: Is it Me or Is it You? Mirror, Mirror, on the wall... Yes, we are all mirrors for each other. The hardest thing to do in this life is to acknowledge our light and our dark. We project BOTH. And dark is not evil. It just means it's hidden from our awareness so therefore it can remain primitive and infantile. This split off complex is operating anyway behind our back. That is why Jung called it our "SHADOW". If you are in pain and conflict about 1 or more of your most important relationships, this workshop is for you. You will discover we all split off parts of ourselves and how to bring them back home.

Speaker Bio:

Rebeca E. Eigen, an astrologer for 25+ years and a student of Jungian psychology, specializes in relationships. She wrote the Shadow Dance and the Astrological 7th House Workbook. Rebeca uses the astrological birth chart to evoke the symbolic and help you become more aware of your total Self. Her study of the Shadow using astrological tools has given her an invaluable awareness of the unconscious and the role it plays in the relationships that we attract into our lives. We know from studying myth that Beauty eventually learned to love the Beast. You can see more about her at shadowdance.com.

Consultations with Rebeca are available while she's in town

If you are in pain & conflict in one or more of your most important relationships and patterns are repeating, a consultation with Rebeca Eigen will be helpful in looking at your relationship challenges using your 7th house planets, ruler, aspects to Venus and the elements. Using Jungian psychology, Rebeca will guide you to see the potential gifts that hide in your hidden Self — your Shadow. I will also briefly go over the energy presently affecting your life (transits) as they are extremely helpful in understanding our current lessons as we embrace change and growth.

Special ASNT Price is \$200 (normally \$250) and includes a Merlin + Karmic Report! Times are available on Saturday and one slot available Sunday morning. Readings are 1hr long and will be held at Christy and Wayne's place out in the country. Contact Rebeca at [281-799-2900](tel:281-799-2900) to schedule your slot. You can also email her at rebecaeigen@shadowdance.com and put the words ASTROLOGY CONSULTATION in the subject so it doesn't go into the junk folder.

President's Message

A wonderful speaker is coming our way this month, and I encourage you to join us for something we don't always get for our monthly lectures – Astrological knowledge, Psychological information and get this -- *practical relationship advice*. Just in time for Valentine's Day!

Rebeca Eigen is fun, engaging and educational. Whether your relationships are with a significant other, a boss, or a business partner, you will find useful, timely, and insightful tips on how to explore and navigate your shadow and how it might impact your relationships. If you can, bring your partner along with you.

By the way, Rebeca is coming in from out of town – like many of our out of town speakers, they set aside time for members to sign up for consultations. Look at the front page of the newsletter for more information on how to contact Rebeca if you'd like to take advantage of that opportunity, or contact her for consulting remotely after the lecture. As an ASNT member, you get a discount, too.

On to another topic, due to work priorities and a few things, I have been falling behind in some of my duties as President. I will try to rectify this shortfall ASAP. As a group, we're in decent shape with great support, people and with the direction we're heading -- we've added a new board position (Chris Unzicker) as Technology Chair, but I haven't been able to get with him to transfer some of the duties. I will do that soon.

We could still use help with speaker submissions, and we have two open board positions to help spread the load (Publicity Chair and 2nd Vice President of Programs). If you have a little bit of passion for Astrology, and like funneling energy into expanding awareness in our area, we could use your help.

Astrologically Yours,|

It has been said that the placement and condition of the moon will indicate the circumstances surrounding the beginning of your endeavor, and the planet that rules the sign the moon is in will indicate the circumstances surrounding the outcome of your endeavor also, Ivy Jacobson has said that the moon is a developing power and the final aspect indicates outcome of any venture under consideration. In selecting the day and hour for taking an action we base our decision to act or not on what she advises according to her final aspect “when all is said and done” If she is void of course the matter is also inactive with no harm done.

Venus ingress to Pisces February 10th, 2018

Venus is exalted in gentle Pisces, inspiring artistic visions and creativity. Boundaries fade away and love has a higher purpose.

**Happy Birthday to
Aquarius and Pisces members!**
