June 2017 Welcome to the Astrological Society of North Texas!

Join us Sunday, June 11, 2017 at 1:30 pm, 1st
Jefferson Universalist Church, to welcome **Maria J.
Mateus – “An Introduction to Astrological Grammar”**

Have you ever tried to speak a foreign language armed with only a dictionary? If astrology is a language, then most of us do just that. Astrologers spend a lot of time trying to learn “key words” for our symbols, but not a whole lot of time trying to understand how those words are arranged to communicate outer world events that reflect inner world states and feelings. In this presentation, Maria will give you an introduction to the linguistics embedded in the chart as well as briefly touch upon the Aristotelian philosophy that underpins it. Using chart examples, she will illustrate how the chart symbols do not just signify words, but also tell you how to put those words together into meaningful statements that we can all agree upon. **Maria J. Mateus has been a student of astrology since she was a teen. She’s open to all astrological schools, but maintains a particular interest in research, history, language, and ancient**

techniques. She believes the key to understanding all of astrology is to understand the manner in which language and mind reflect the world we live in. In 2002 her desire to demystify the relationship between inner emotional states and outer world manifestations led her to embark on an investigation that culminated in the development of the LINCOS grammatical approach to astrology. Maria has lectured at conferences and workshops around the world and taught at the International Academy of Astrology and at Kepler College. She’s written for several astrological publications and is currently translating her second book on traditional techniques. She holds a BA in psychology from the University of Texas and a MA in astrology from Kepler College.

President's Message

President's Message June 2017 –

Welcome Summertime!

As we ring in the new month of June, this is where I leave you as President of ASNT and take over as your Treasurer.

For the past 2.5 years, I had the rare privilege of serving as your President, a duty bestowed upon me rather quickly. It was the members' confidence in me that brought me on board and the existing Board members are wonderful to work with, which made the transition an easy endeavor.

We made great strides in those two years to update this organization, whether it be through the formalities of legal paperwork, by-laws, dues structure, and even the meeting formats. Looking for a more centralized meeting location still remains on our radar.

Yes, it was a lot of work, but now everyone gets to reap the rewards as we bring this group into the new age of technology and meeting formats. We even have a Skype presentation coming up later this year!

At present, there are currently two board positions needed to be filled: Programs Director and Publicity. If either of these strikes your interest, please let a Board member know.

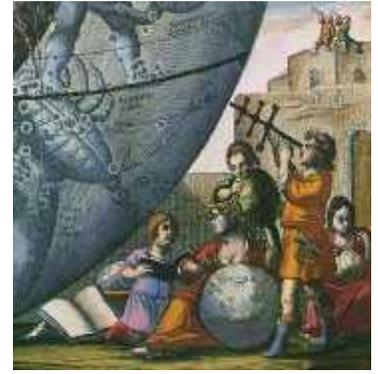

So, as I end this, I'd like to congratulate Wayne Hall for his election to the Presidency, Linda Gregory as our new Hospitality Chair, and Christy Hall for talking over as Secretary.

Best Wishes,
Marie Loeb

ASNT President 2015-2017

“The moon is a developing power and the final aspect indicates outcome of any venture under consideration. In selecting the day and hour for taking an action we base our decision to act or not on what she advises according to her final aspect “when all is said and done” If she is void of course the matter is also inactive with no harm done.”

– In the beginning astrology, Ivy G Jacobson

Happy Birthday to Gemini and Cancer members!
